### **About Action Breaks Silence:**

Action Breaks Silence is an educational charity, established to create a world free from the fear of Violence Against Women and Girls (VAWG) and the threat of such violence. To achieve this, a multi-pronged approach is adopted and actioned through the delivery of the Action Breaks Silence Community Intervention.

Our Founder and CEO, Debi Steven has worked alongside an international community of activists, academics and youth to design the Community Intervention aimed at profoundly changing the narrative on VAWG. A “Whole Schools Approach” (developed by AVA) is used to engage, educate, and empower “all members of the school’s community, including school governors, senior management, staff, students and parents” to end VAWG in schools and the surrounding communities.

The Action Breaks Silence Community Intervention which tackles sexual harassment and sexual violence also includes strategies to address gender equality and unhealthy masculinity that underpin this behaviour. The design and delivery of the intervention is guided by the Social Norms and Active Bystander Theories.

Action Breaks Silence is a registered charity in the UK. Action Breaks Silence is also separately a fully recognized charity in South Africa and India. All funds raised from this workshop will enable us to continue to deliver our community interventions, free of charge, at disadvantaged Primary Schools in London. Since 2013, Action Breaks Silence has engaged, educated, and empowered over 100,000 beneficiaries.

The workshop is designed to provide women with empowerment and physical self-defence training. The workshop is very practical both in terms of advice given and the tools that are taught. No prior experience is necessary, and all the content derives from the context of the world we live in today.
