

SCHOOLS MIXED GENDER EMPOWERMENT THROUGH SELF-DEFENCE WORKSHOP

In order for Violence Against Women and Girls and the social norms that support it to be tackled within our communities a Whole Community Approach is needed that includes engaging, educating, and empowering all members of the school community to become active bystanders to disrupt harmful norms.

Violence in the United Kingdom:

- 1 in 5 young people are exposed to physical violence (a greater proportion are female)
- 1 in 5 women in the UK will be raped in her lifetime
- UK police recorded over 16,000 crimes committed against people because of their sexual orientation or gender identity.
- 9 women and girls are raped every hour of every day – approximately 85 000 per year
- Approximately 90% of those who are raped know the perpetrator prior to the offence.
- It is estimated that less than 15% of rapes are reported and that conviction rates for rape are far lower than for other crimes – only 5.7% of reported rape cases end in a conviction for the perpetrator.
- One in three women experience abuse in their lifetime
- 61% of 18-24-year-olds feel UK society expects a man to “Man up” when faced with a challenge
- 25% of young women (aged over 13) experience physical violence and 72% experience emotional abuse in their own relationships
- 2 in 3 (67%) 18-24-year-old men believe they are pressured to display hyper-masculine behaviour
- 1 in 5 young people are exposed to physical violence

About Action Breaks Silence:

Action Breaks Silence is an educational charity, established to create a world free from all forms of male violence. To achieve this, a multi-pronged approach is adopted and actioned through the delivery of the Action Breaks Silence violence prevention workshops and programmes in primary and secondary schools.

Our Founder and CEO, Debi Steven has worked alongside an international community of activists, academics and youth to design the Community Intervention aimed at profoundly changing the narrative on VAWG. A “Whole Schools Approach” (developed by AVA) is used to engage, educate, and empower “all members of the school’s community, including school governors, senior management, staff, students and parents” to end VAWG in schools and the surrounding communities.

The Action Breaks Silence Community Intervention which tackles sexual harassment and sexual violence also includes strategies to address gender equity and unhealthy masculinity that underpin this behaviour. The design and delivery of the intervention is guided by the Social Norms and Active Bystander Theories.

Action Breaks Silence was registered as a charity in the United Kingdom in 2013.

All funds raised from this workshop will enable us to continue to deliver our community interventions, free of charge, at disadvantaged Primary Schools in London.

Since 2013, Action Breaks Silence has engaged, educated and empowered over 100,000 beneficiaries in the UK, South Africa, India and the Dutch Antilles.
